EQUALITY TALENT MANAGEMENT LTD

This "Site" (as defined below) is owned and operated by **EQUALITY TALENT MANAGEMENT LTD** on its own behalf or in combination with one of its film or television divisions or joint ventures (collectively referred to herein, solely for ease of reference, as "Company, "us" or "we"). These terms of use (the "Terms of Use", "TOU" or "Agreement") set forth the legal terms and conditions governing your use of our website and any other online and mobile websites and interactive applications operated by Company (collectively, the "Site") (unless a different policy is provided on a particular site, application or service, in which case such different policy shall govern and control). Your use of this Site confirms your unconditional agreement to be bound by these Terms of Use and is subject to your continued compliance with these Terms of Use. If you do not agree to be bound by these Terms of Use, you may not access or otherwise use the Site. Before using the Site, please review the related Company Privacy Policy, located at <https://www.equality-talent.com/> (the "Privacy Policy"), which is incorporated herein by this reference.

Eligibility

The Site is intended solely for users thirteen (13) years of age and older. You represent and warrant either that you are eighteen (18) years of age or older, or if you are under the age of eighteen (18) that you are at least thirteen (13) and are accessing the Site with the knowledge and consent of your parent or legal guardian, who will also be deemed to have agreed to this Agreement. Certain parts of the Site may be subject in whole or in part to heightened age and/or other eligibility requirements.

Registration

Certain parts or features of the Site may require registration or may otherwise ask you to provide information to participate in certain features or to access certain content. The decision to provide this information is purely voluntary and optional; however, if you elect not to provide such information, you may not be able to access certain content or participate in certain parts or features of the Site. You agree that you will not provide any false personal information to the Site,

or create an account for anyone other than yourself without permission. You will also not create more than one personal profile, and if you select a username for your account, we reserve the right to remove or reclaim it if we believe appropriate (such as if a trademark owner complains about a username). If you register with the Site, you are responsible for maintaining the confidentiality of your password, if any, and for restricting access to your computer so that others may not access the password protected portion of the Site. You accept responsibility for all activities that occur under your account, email or password, if any, and agree you will not sell, transfer or assign your membership or any membership rights. Company may, in its sole discretion, and at any time, with or without notice, terminate your password and membership, for any reason or no reason at all. If we disable your account, you agree that you will not create another one without our permission.

License to the Site

Company grants you a non-exclusive, non-transferable, limited right and license to access, use and privately display the Site and the materials thereon for your personal use only, provided that you comply fully with these TOU. You shall not interfere (or permit the use of your membership by a third party to interfere) or attempt to interfere with the operation or use of Site by other members in any way through any means or device including, but not limited to, spamming, hacking, uploading computer viruses or time bombs, or any other means expressly prohibited by any provision of these TOU.

Changes to Site and/or Terms and Conditions of Use

Company reserves the right, from time to time, in its sole discretion, to change, modify, update, discontinue, remove, revise, delete or otherwise change any portion of the Site or these TOU, in whole or in part, at any time without further notice. For changes to these TOU that we deem material, we will place a notice on the site by revising the link on the homepage to read substantially as "Updated Terms of Use" for an amount of time that we determine in our discretion. If you access or use the Site in any way after the TOU have been changed, you will be deemed to have read, understood and unconditionally consented to and agreed to such changes. The most current version of these TOU will be available on the Site and will supersede all previous versions of these TOU.

Trademarks, Copyrights & Restrictions

The Site and all of the content it contains, or may in the future contain, including but not limited to text, video, pictures, graphics, designs, information, applications, software, music, audio files, articles, directories, guides, photographs as well as the trademarks, service marks, trade names, trade dress, copyrights, logos, domain names, code, patents and/or any other form of intellectual property (collectively, the "Material") that relate to the Site (other than and except for "User

Content” as defined herein) are owned by or licensed by Company or other third parties and are protected from any unauthorized use, copying and dissemination by copyright, trademark and other intellectual property and non-intellectual property laws and by international treaties. Except as expressly permitted in writing by the site host, you shall not capture, reproduce, perform, transfer, sell, license, modify, create derivative works from or based upon, republish, reverse engineer, upload, edit, post, transmit, publicly display, frame, link, distribute or exploit, in whole or in part, any of the Material. Nothing contained in this Agreement or on the Site should be construed as granting, by implication, estoppel or otherwise, any license or right to use any Material in any manner without the prior written consent of Company or such third party that may own the Material or intellectual property displayed on the Site. UNAUTHORIZED USE, COPYING, REPRODUCTION, MODIFICATION, PUBLICATION, REPUBLICATION, UPLOADING, FRAMING, DOWNLOADING, POSTING, TRANSMITTING, DISTRIBUTING, DUPLICATING OR ANY OTHER MISUSE OF ANY OF THE MATERIAL IS STRICTLY PROHIBITED. Any use of the Material other than as permitted by this Agreement will violate this Agreement and may infringe upon our rights or the rights of the third party that owns the affected Material. You agree to report any violation of this Agreement by others that you become aware of. You are advised that Company will aggressively enforce its rights to the fullest extent of the law. Company may add, change, discontinue, remove or suspend any of the Material at any time, without notice and without liability.

Software

From time to time, and at its sole discretion, Company may make available to users certain software that may be accessible or downloaded from this Site. In the event you access or download software from this Site, the software, including any files, images incorporated in or generated by the software, and data accompanying the software (collectively, the “Software”) are licensed to you by Company or a Company-approved third party software provider (“Third Party Provider”). Company does not transfer title to the Software to you. You own the medium on which the Software is recorded, but Company retains full and complete title to the Software, and all intellectual property rights therein. For purposes of these TOU, such Software shall be included in the definition of “Materials”. Furthermore, your use of any Software of a Third Party Provider shall be subject to the end user license agreement or any other terms of use set forth by such Third Party Provider for its Software.

Consent to Electronic Communications

By registering with the Site, you understand that we may send you communications or data from Company regarding the Site via electronic mail, SMS, MMS, instant messaging, electronic chat, or other electronic delivery, including but not limited to (i) tasks, notices, videos, record keeping, and audio files; (ii) promotional information regarding the Site, (iii) updates; and (iv) notices about

your use of the Site. By registering with Site you consent to such communications and understand that standard text and data charges may apply.

Unsolicited Submissions

Company is pleased to hear from its visitors and welcomes your comments regarding Company products, including Company's films. If Company sponsors a contest or sweepstakes that expressly invites users to submit material for consideration and that contest is governed by a set of Official Rules, then to the extent there is a conflict between the terms of this Paragraph and the terms of such Official Rules, the Official Rules will govern the use of material that is submitted as part of the contest or sweepstakes entry mechanic.

Outside of that type of contest or sweepstakes entry mechanic, however, Company's long-standing company policy does not allow it to accept or consider creative ideas, suggestions, or materials other than those it has specifically requested (see below). While we value your feedback on our services and products, we request that you be specific in your comments on those services and products, and that you not submit any creative ideas, suggestions or materials, including but not limited to stories or character ideas, screenplays, or original artwork. We hope you will understand that it is the intent of this policy to avoid the possibility of future misunderstandings when projects developed by Company's or its affiliates' professional staff might seem to others to be similar to their own creative work. Accordingly, we ask that you do not send us any original creative materials such as show designs, photographs, drawings, or original artwork that you expect to be compensated for or that you would like to keep private.

Without limiting the generality of the foregoing, if you send or post certain specific submissions at our request (e.g., via message boards or in connection with contests) or if you send us creative suggestions, ideas, notes, photographs, drawings, concepts, or any other information (each, a "Submission" and collectively, the "Submissions") despite our request that you not send us any unsolicited Submissions or other creative materials, the Submission will be treated as non-confidential and non-proprietary in each instance. For purposes of this Paragraph, all User Content shall be deemed included in the definition of Submissions. None of the Submissions shall be subject to any obligation of confidence on the part of Company, and Company shall not be liable for any use or disclosure of any Submissions. Any Submission may be used by Company without restriction for any purpose whatsoever, including, without limitation, reproduction, disclosure, transmission, publication, broadcast or posting, and you hereby irrevocably waive, release and give up any claim that any use of such Submission violates any of your rights, including, without limitation, copyrights, trademarks, moral rights, privacy rights, proprietary or other property rights, publicity rights, or right to credit for the material or ideas. Company shall have and is hereby irrevocably granted the right, but not the obligation, to reproduce, modify, adapt, publish, broadcast, license, perform, post, sell, translate, incorporate,

create derivative works from, exploit, distribute and otherwise use the Submission in any and all media, now known or hereafter devised, throughout the universe, in perpetuity, without according you any compensation or credit. By submitting a Submission to the Site or Company, you represent that such Submission is original with you and does not violate or infringe upon the rights of any third parties, including, without limitation, any intellectual property rights and rights of publicity and/or privacy. Submissions to the Site and/or Company will not be acknowledged or returned. You agree and understand that Company is not obligated to use any Submission you make to the Site or Company and you have no right to compel such use. You hereby acknowledge and agree that your relationship with Company is not a confidential, fiduciary, or other special relationship, and that your decision to submit any material to Company does not place Company in a position that is any different from the position held by members of the general public with regard to your Submission. You understand and acknowledge that Company has wide access to ideas, stories, designs, and other literary materials, and that new ideas are constantly being submitted to it or being developed by Company's own employees. Many ideas or stories may be competitive with, similar or identical to your Submission in structure, purpose, function, theme, idea, plot, format or other respects. You acknowledge and agree that you will not be entitled to any compensation as a result of Company's use of any such similar or identical material. Finally, you acknowledge that, with respect to any claim you may have relating to or arising out of Company's actual or alleged exploitation or use of any material you submit to the Site and/or Company, the damage, if any, thereby caused will not be irreparable or otherwise sufficient to entitle you to injunctive or other equitable relief or to in any way enjoin the exploitation or other use of any Company film, television show, platform, product or service based on or allegedly based on the material, and your rights and remedies in any such event shall be strictly limited to the right to recover damages, if any, in an action at law. Applicable law may restrict or limit the foregoing provisions of this Paragraph. If so, without in any way limiting the foregoing, you agree that in no event shall Company's liability exceed the amount payable to a writer under the Writers Guild of America Basic Agreement for a network prime time story or teleplay.

The Site may contain links to third party websites or resources, which may or may not be obvious ("Third Party Sites") as well as software, text, graphics, articles, photographs, pictures, designs, sound, video, music, information, software applications and other content originating from third parties (collectively, "Third Party Applications, Software or Content").
